

Reading Tab

Basic Tab Lines

There are 6 tab lines representing 6 strings on the guitar. (The 1st string is the thinnest, and the 6th string is the thickest).

E----- String 1 Thinnest

B----- String 2

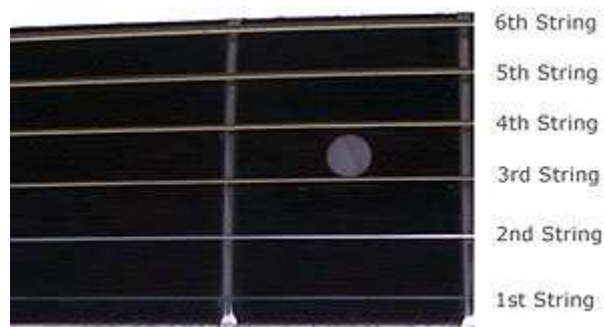

G----- String 3

D----- String 4

A----- String 5

E----- String 6 Thickest

- The string at the top is the thickest - 6th string
- The string at the bottom is the thinnest - 1st string (as shown in diagram below)

When a number is placed on one of the lines, it indicates the fret location of note.

E----- String 1

B-----4----- String 2

G----- String 3

D----- String 4

A----- String 5

E----- String 6

(This means to play the 4th Fret on the 2nd string)
